

5th Grade — 3rd Place

Before
Get ready
if you feel a little
Shake get under
a table or a door
way!!!

During Save your
voice DONT SCREAM
AT ALL I know it's scary
just DON'T SCREAM
use your Phone and Text
If you dont have a Phone
take a piece of paper and
a pencil close to you
and write help and I
am in side and I am
Stuck Help and cover
your head

After
cover your
mouth's O the
debris does
not get in
you Lung so
you don't get
hurt. If you are
in side go to
a wall or a
vent and tap
on it a lot till
someone comes
and resuces you
